Annual Report 2016

Literacy Network
Reading. Character. Success.

The Literacy Network of Greater Cincinnati
champions the development of literacy in the
individual, the family, the workplace, the school,
and the community by raising awareness, improving
access, and serving as a catalyst for literacy efforts.

Dear Friends,

I am so proud to be a Cincinnati native and to raise my family here. This is a wonderful community, rich in history, culture, beauty, tradition and generosity. With so many worthwhile causes to choose from, I am deeply humbled and grateful that you have chosen to spend your time and resources in support of our mission. Without your support and the dedication of our army of volunteers, we could not achieve all that we do.

And yet, we know that there is still much more to accomplish. Literacy is vital. It can mean the difference between a life well-lived and a life of struggles. In the Greater Cincinnati area, more than 400,000 of our neighbors struggle with the basic literacy skills that most of us take for granted. Literacy not only impacts one's education, it has a dramatic influence on health, potential earning power, career success, life expectancy, the ability to fully participate in civic life, and not to mention, the educational success of future generations.

Through our work with children and adults, we know that those who cannot read may not currently have the skills, but they do have the potential. We understand that literacy is a critical component to individual success, but also is crucial to creating a thriving community. This is why we are committed to furthering partnerships and growing our reach to address this multi-faceted issue that impacts our city. It is our combined efforts that will move the needle, and cause a positive shift in literacy rates and ultimately make our community stronger.

Margaret Mead famously said, "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." Thank you for bringing your passion, knowledge, financial support and commitment to making our corner of the world an even better place to live. Your actions demonstrate that we all have the power to be agents of change!

Gratefully,

Michelle Otten Guenther, President

Former Board Chair Lee Rose and current Board Chair Katy Meinhardt.
